

## Declaration as per Regulation (EU) 2019/1021 (POP)

EU Regulation 2019/1021 incorporates the Stockholm Convention on the Elimination of Persistent Organic Pollutants into European law.

As a manufacturer of electromechanical switching devices, Kraus & Naimer is considered a downstream user in the supply chain in accordance with REACH.

We hereby confirm that the products manufactured, processed, and distributed by Kraus & Naimer do not contain any persistent organic pollutants as defined by the POP Regulation (EU) 2019/1021.

This declaration is based on information provided by our raw material suppliers. The corresponding verifications have not been conducted by Kraus & Naimer through laboratory analyses.
